

Members of Grand Island High School's Madrigals give four fingers up to the WIVB Channel 4 videographer following a performance at M&T Bank's Fountain Plaza branch in downtown Buffalo on Monday. The Madrigals sang as part of the 25th annual holiday concert series hosted by M&T Bank under its historic gold dome, the former Buffalo Savings Bank. The Madrigals were the first local high school group to perform in the winter noontime series, which runs through Friday, Dec. 18. Channel 4's video is available at its Web site: <http://www.wivb.com/dpp/community/M-T-kicks-off-holiday-concert-series>.
