**United Way announces agency support**

Submitted by the United Way of Greater Niagara  
 United Way of Greater Niagara has officially announced which agencies will be receiving support from our Community Care fund this year.  
 We are proud to share that our Community Care committee has selected the following agencies serving local youth to receive funding in 2024: Boys & Girls Clubs of the Northtowns; Community Missions of Niagara Frontier; Immaculata Home; the Kenan Center; Native American Community Services of Niag-

ara and Erie Counties; Niagara Falls Boys & Girls Club; Niagara Aquarium Foundation; Northpointe Council; Pinnacle Community Services; The Salvation Army Corps of Lockport, Niagara Falls and the Tonawandas; Western New York Scout Council; Youth Mentoring Services; and YWCA of the Niagara Frontier.  
 Representatives from these agencies – pictured with UWGN President/CEO Andrea Gray – met Wednesday to discuss programming and plans for the upcoming year.

It is important to note that, although these are the agencies that receive Community Care funds this year, United Way of Greater Niagara also offers financial support to many other local agencies through other sources, such as the Martha Beeman Foundation and the federal Emergency Food and Shelter Program, which offer grants for youth development and the needs of hungry and homeless people in our community, respectively.

**Mt. St. Mary's rehab programs set to relocate to hospital campus**

Mount St. Mary's Hospital (MSMH) announced its Center for Sports Medicine & Physical Rehabilitation, now located at 1 Columba Drive No. 5 in Niagara Falls, will be moving on Jan. 15. The new department will relocate to the campus of Mount St. Mary's Hospital, 5300 Military Road, Lewiston, with the services located at the hospital's north lobby entrance.  
 Additionally, on Jan. 15, the MSMH cardiac rehabilitation program, currently on the seventh floor of the hospital, will be

relocating to this same area. For access to both of these services, patients should enter at the hospital's north lobby. There will be sufficient parking in this area.  
 Manager of Public Relations and Community Affairs Carolyn Moore said, "We are confident these changes will enhance the availability and access to care for our patients."  
 She added, "For those who already have appointments and classes scheduled for either service on or after Jan. 15, these visits will take place in the new

departments at Mount St. Mary's Hospital as specified above. Appointment dates and times will remain the same, unless otherwise notified by our office, and you will continue seeing our same therapists.  
 "Thank you for entrusting us with your medical care and we look forward to continuing to meet your health care needs."  
 For further questions, contact the MSMH departments directly at 716-298-2249 for physical therapy/sports medicine services or 716-284-3278 for cardiac rehab.
