

Lincoln Park Nursery offers 'Investments that Grow'

Advertorial

When customers arrive at Lincoln Park Nursery, they immediately notice three things: friendly customer service, expert staff, and reasonable prices.

The business – which has locations at 147 Old Niagara Falls Blvd., Amherst, and at 5705 Shawnee Road, Cambria – has been family-owned and operated since 1951. Today, John Maloney is the third-generation owner.

“We serve Amherst, Tonawandas and surrounding suburbs for over 73 years,” he said. “We sell locally grown trees, shrubs and evergreens; custom-made and drilled water features, and stone benches.”

The home of the “Pondless water garden” also sells unique, one-of-a-kind trees.

“We design, install and guarantee,” Maloney said. We have a ‘We Design – You Dig’ program. We make the design, and you do the work.”

Lincoln Park Nursery has two fully stocked locations to serve customers better, and each site has a large supply of natural boulders, gravel, flagstone, flagstone
