## Patricia A. Rhoney

Patricia A. Rhoney

Patricia A. Rhoney of Lewiston passed away peacefully on Oct. 5, 2023, at Schoellkopf Health Center in Niagara Falls.

She was born in Niagara Falls on Oct. 6, 1930, the daughter of the late Aloysius and Marie (Lux) Faix.

Patricia graduated from Stella Niagara in 1948. She was the wife of the late Paul J. Rhoney, who passed away on May 25, 2022. They celebrated their 70th wedding anniversary on May 17, 2022.

Patricia was energized by travel and invigorated by her experiences abroad – bringing her memories to life for those at home. She deeply valued learning the ways of others – a testament to her keen spirit and connection to our world, a gift instilled upon all she loved.

For over 30 years, Patricia and Paul enjoyed the life of snowbirds, spending over half the year in Fort Myers, Florida. She indulged in her love of nature while exploring the beaches and dunes

across Sanibel and Captiva Island with her family. When day was done, you could find her quietly appreciating every sunset over the Gulf's horizon.

She is survived by her five children: Ann, Mark (Nancy), Claire Gertz (Glen), Paula Jordan and Colette (John Sammis). In addition, Patricia leaves behind four grandchildren: Lily Hoffman (Gabe Schechter), Danielle Fisher (John), David Hoffman and Sean Rhoney; and her great-granddaughter, Cecilia. She is

also survived by her sisters-in-law, Cynthia Rhoney and Mary Alice Wonsiewski; by her brother-in-law, William Wonsiewski; and by many nieces and nephews.

Besides her husband, Paul, Patricia was predeceased by her son-in-law, Michael Jordan, and by her brother, L. John Faix.

The Rhoney family would like to convey special thanks to the professional and caring Schoellkopf Health Center staff on NH2, including Lakeisha Marvin, Renee Kramp, Laticia Williams and Bethany Halfety, and also Karen Smith in physical therapy and Adrian Ralands in activities.

A memorial Mass will be celebrated at 10 a.m. Saturday, Oct. 28, in the Sister's Chapel at Stella Niagara.

Memorials may be made in Patricia's name to Heart, Love & Soul, 939 Ontario Ave, Niagara Falls, NY 14305.

## Five local women join together to present free information session on elder planning

Five local women from various agencies/organizations and businesses will present a free information session on elder planning from 5:30-7 p.m. Tuesday, Oct. 17, at the Ransomville Free Library, 3733 Ransomville Road.

“We are happy to have the opportunity to offer this information session on elder planning,” said Candyce Vana Ingwersen, attorney at law, and one of the

presenters. “I have organized several of these sessions in the past and hope to continue to do so throughout Niagara County.”

In addition to Ingwersen, featured presenters include: Michelle Spencer from Aging Well Care Management; Laurie M. Bauch, OTR/L from Positive Approach to Care; Eva M. Christ, seniors real estate specialist; and Christine S. O'Hara, M.S., from

Home Assistance Referral Team (HART).

Some of the topics to be discussed include estate planning, aging in place, assisting seniors transitioning to new housing, person-centered dementia care, and services provided by Medicaid.

Registration is free and the event is open to the public. For more information, contact the HART office at 716-754-8313.

### WHY PUBLIC NOTICES ARE IMPORTANT

Public notices allow citizens to monitor their government and make sure that it is working in their best interest. Independent newspapers assist in this cause by carrying out their partnership with the people's right to know through public notices. By offering an independent and archived record of public notices, newspapers foster a more trusting relationship between government and its citizens. Newspapers have the experience and expertise in publishing public notices and have done so since the Revolutionary War. Today, they remain an established, trustworthy and neutral source that ably transfers information between government and the people. Public notices are the lasting record of how the public's resources are used and are presented in the most efficient and effective means possible.
