Broderick backing Myers, Burg

BY STEVE BRODERICK Lewiston Town Supervisor

This year, we have two candidates running for Town Board that I believe will do a great job for the citizens of Lewiston. William "Bill" Burg and Jason Myers are those two individuals that I have chosen to support for the Lewiston Town Board. It is extremely important to vote on Tuesday, Nov. 7.

Jason Myers is the incumbent who has supported myself with important decisions over the last four years that have created a

fiscal situation with no stress and improved credit ratings through Moody's, and successfully survived a worldwide pandemic with little or no tax increase. As a matter of fact, we currently have a preliminary budget with an overall decrease of 4.5%.

With Jason's help, we have been able to secure \$535,000 in grants that allowed the town to purchase Camp Stonehaven and turn it into a nature preserve that all residents can enjoy. It has always been a goal of mine to enhance all

of Lewiston's parks in such a way that we can all be proud of, and I believe we have done so in a fiscally responsible way - and Jason has been a part of that.

Bill Burg will be new to the Town Board, but not new to the Town of Lewiston, as he has been chairman of the Planning Board for the last several years. He will have big shoes to fill with the retirement of Bill Geiben.

Bill Burg has stepped up and is willing to fill in that role. Bill is a businessman with a good working

knowledge of budgets and finances, and has the ability to bring a fresh, new look and new ideas to an already successful board. Bill has assured me that he's not afraid of hard work and helping guide Lewiston down the right path.

Over the last eight years, we have had a Town Board that has worked well together and has accomplished many things - we need that to continue. The only way for that to happen is to get out and vote for Jason Myers and Bill Burg on Nov. 7.

Supports Myers & Burg in election

BY BECKY WYDYSH Lewiston Resident and Niagara County Legislator

I have had the honor of serving as your Niagara County legislator for the 2nd District for the past eight years, and look forward to another term starting in 2024. While I am currently running unopposed, I do want to take this opportunity to remind everyone to come out and vote on Nov. 7.

I truly appreciate everyone that takes the time to exercise your right in our elections, and I hope

that I have gained your support during my time in office.

Voter turnout can be low in years where there are no state or federal level candidates on the ballot. But, please don't forget about all the county and town candidates that need your support!

As chairman of the legislature, having true partners in good government efforts has been a priority for me, regardless of party affiliation. Our county and local municipalities need leaders that

truly care about their community and will dedicate their time to improving the way of life for our residents.

Because I have seen this dedication and giving spirit first-hand in Town Board candidates Jason Myers and Bill Burg, I know they will be just those partners I am looking for.

While I have been working with Jason since he started his first term in 2020, Bill Burg is a new face in local elections. He will be

a great addition to our team. Both have shown they will be conservative watchdogs of our town finances and will work non-stop to ensure town residents are well represented.

Please get out to vote on Nov. 7 (or during early voting hours), and support these great candidates for Town Board!

Thank you.

Endorses Burg

I am writing this letter to provide my endorsement and a strong recommendation for William "Bill" Burg as a candidate for the Lewiston Town Board. I have had the privilege of knowing Bill for 15 years and can confidently attest to his exceptional qualities, unwaver-

ing dedication, and commitment to serving the community.

Bill brings passion and dedication to every endeavor. He has consistently demonstrated strong leadership skills, critical thinking, and an innate ability to collaborate with others, making him an

outstanding choice for the Town Board.

In addition to community involvement, Bill possesses a strong understanding of the issues and challenges that Lewiston faces. He will listen to constituents, research solutions, and work tirelessly to

find common-sense solutions. His ability to communicate effectively and engage in thoughtful discussions is an asset that will undoubtedly serve Lewiston well.

I endorse Bill as an ideal candidate for the Lewiston Town Board. John Accardo

Village needs to do better at working with boards

I attended the "joint" public meeting for the Village of Lewiston on Oct. 16 and was surprised that the Historic Board and Planning Board were not even acknowledged to be in attendance. The meeting was listed as a joint meeting, so why were the other two boards not recognized?

Yes, representatives from these boards did speak, but were treated just like the general public.

The biggest issue I see is that the Village Board does not follow their own guidelines in conducting the people's business. The public was not informed properly regarding the art project proposal.

Decisions on a public mural, blue shuttle benches and the art signs were all decided by the board without any public input. The board also did not send the proposal to the Historic Board or the Planning Board, which is required.

The Village Code is very clear that the art signs are not allowed.

If it wasn't for the De-Sign committee sending out an email regarding this subject, would any citizens of the village even become aware of what the village approved?

This happens way too much by the Village Board.
