SPCA PET OF THE WEEK

Meet Romana!

Ramona is a special girl! She is SUCH a sweetheart, and is a very pretty girl! She has been diagnosed with diabetes, so she would need special care, including a strict feeding regimen, and insulin shots daily! She is okay with cats and would just need a meet and greet with any doggy friends she would live with! She is such a spunky girl with an awesome personality. All of our staff is head over heels for her! She is looking for the perfect fur-ever home, with a family who would be dedicated to giving her all the love and attention she so deserves, and is willing to care for her medical needs!
