Last week Monday, the Lewiston Garden met and began to prepare for the upcoming holidays. Wreaths were brought out of storage and made ready for hanging on Center Street by the Department of Public Works. In addition, the needs of four families from Community Missions were discussed, and plans developed, to ensure that their holiday wishes would be fulfilled. Gifts and foodstuffs will be collected and delivered to the Niagara Falls agency.

On Saturday, club members gathered to hang wreaths on Center Street fences.

Additional events for the club include a holiday luncheon on Dec. 11, and a field trip to enjoy the decorations put in place by the Youngstown Garden Club at the Ontario House on Dec. 13.
