

Stone Jug, Summer of '69 Band partner with HART

Youngstown's The Ontario House (aka The Stone Jug) presented the Home Assistance Referral Team with a check for \$2,000 from the proceeds of a July 8 performance by the Summer of '69 Band.

HART Executive Director Christine S. O'Hara, MS, said, "The Summer of '69 Band has been a part of HART for many years, and joining with the Jug has been great."

Mike Costello, owner of The Stone Jug, added, "We love this partnership. HART is such a great organization, and the services that they provide to the elderly and infirm throughout Niagara and Erie County are so important. We want to make sure they are around for years to come."

A press release noted, "HART is a nonprofit referral service whose mission is to enable the most vulnerable members of our community to maintain a quality of life and remain independent in their own homes by connecting them with qualified and affordable help."

HART is located at 505 Cayuga St., Lewiston and serves all of Niagara County. It has expanded to most of Erie County, including Grand Island, Kenmore and the Tonawandas.

The agency is funded solely through donations from individuals and organizations, special events and grants.

New event to celebrate HAL anniversary

This year marks the 50th anniversary of the Historical Association of Lewiston. To commemorate this milestone, events are taking place "in celebration of Lewiston's rich history."

At 1 p.m. Saturday, Oct. 7, the Lewiston Museum, Lewiston Service Guild and First Presbyterian Church will sponsor a historic Victorian tea at the church, 505 Cayuga St. This event will include lunch, pastries and, of course, tea - along with a basket raffle.

Organizers said, "Baskets will be on display prior to the event. Your generosity to these organizations is greatly appreciated and will help continue each in their efforts to support our Lewiston community."

"Thank you in advance for your support, and we look forward to seeing you at our first Victorian tea."

Individual tickets are available for \$40 per person, or a table of eight is \$300. To purchase tickets, call the Lewiston Museum at 716-754-4214.

Old Fort Niagara 'Living History Weekend'

Old Fort Niagara's history spans almost 300 years. During those three centuries of occupation, the fort has seen combat for only about 23 days.

On Aug. 19-20, Old Fort Niagara will host a "Living History Weekend" that explores what daily life was like during the rest of the fort's history when men, women and children went about their daily tasks, working to survive at an isolated frontier outpost."

Highlighting the weekend event will be special interactive programs that allow visitors to step back in time and engage in the fur trade, guard the fort, participate in a military drill, lay out an 18th century fortification, sing period songs and play 18th century games.

Living history interpreters will also demonstrate 18th century food preparation, muskets and artillery. Most of Old Fort Niagara's special events focus on conflicts in which the fort saw action. "Living History Weekend" offers a different perspective, allowing the visitor to experience and take part in daily life for the fort's French, British and American garrisons.
