NOTICE REGARDING GARAGE/YARD SALES

Re: Garage Sales
From: NY Empire State Development, Pamm Lent

On record: We continue to proceed with a data-driven, phased re-opening process to safeguard the health and well-being of New Yorkers. Currently, non-essential gatherings of more than 50 people are not allowed. As garage and yard sales pertain to private residences and property, not retail establishments, they are subject to the current restrictions on non-essential gatherings.

Additional Information: Garage and yard sales - as informal events for the sale of used goods by private individuals in residential settings - are permitted to operate so long as sellers ensure that (1) occupancy of the space used for the sale is limited to the number of people who can be safely and appropriately spaced such that each person is at least six feet away from others and, in no case, should the space be occupied by more than 50 people at any given time, in accordance with **Executive Order 202.33**; (2) appropriate face coverings must be used by people in areas or situations where they are likely to come within six feet of another individual, in accordance with **Executive Order 202.17**, as extended; and (3) adequate hand hygiene supplies (e.g. hand sanitizer) and regular cleaning/disinfection protocols are in place. Sellers may consult the New York Forward **safety plan** template for additional precautions that they should consider implementing during such sales. Shoppers assume any and all risks by participating in a garage sale, Niagara Frontier Publications is not endorsing or promoting these events.
