Continued from Page 3

Deserving praise goes to our Lewiston Fire Co. No. 1 and other local firefighters that worked to save Center Street from collapse. The VOL was made aware we had inadequate water-sized lines, pipes and flow. We could no longer slow-walk the work needed to be done. Thanks to retired Chief Les Myers for coordinating a plan and team to upgrade our safety and water needs.

You may know my opponent in this election has worked in the village clerk's office for an impressive amount of time, well over 30 years. Along with her deputy mayor, they

have a combined 68 years of working for the Village of Lewiston – and it is appreciated. We thank them for their time and public service. But the time has come for us to turn the page and start a new chapter about the vision of Lewiston's future.

We can no longer allow the same small few to be a voice for the many. These same two individuals have grown comfortable and complacent and have left little room for new board members to participate. They've become gatekeepers and are preventing a full board of five elected officials from working for you. The village shouldn't be managed by two

people without checks and balances. How long you have lived in the village doesn't determine your seniority in the decision-making. This concept is obsolete.

Recently, a resident described this to me as a "power and control governance," outdated, elitist and frustrating.

While there are many great, long-time, multigenerational residents and families here, we also have a wealth of young, energized new residents who deserve the opportunity to contribute to the shaping of our village.

Together, we can preserve and

protect the charm and whimsy of our village while taking steps to make it a place where modern-day families can thrive. We can ensure that Lewiston honors its charm and history – but still meets the changing needs of modern life today.

If you want your voice to be heard, on Election Day, in policy and decision-making, then please come to the Red Brick Municipal Building at 145 N. Fourth St. gym on June 21, from noon to 9 p.m., and cast your vote for me along with trustee candidates Tina Coppins (construction skill set) and Savana Bevacqua (urban planner). We ask you to take the time to

vote and allow us to reinstate the collaborative nature of a Village Board, and allow us to truly serve YOU as a full working board who is ethical, accountable and inclusive.

My tradition of donating my salary I receive to local causes and organizations will continue. This allows me the opportunity to not be " beholden to anyone" that doesn't have the best interests of the village in mind.

Please mark your calendars as most village elections are won or lost by less than 20 votes. Your willingness to vote will directly determine the future direction of our village. We can do this together. I thank you.
