

'In the Loop' with the Lewiston-Porter Board of Education

Parents night reimagined, cupcake considerations and 'snow day' options

BY **JODEE RIORDAN**

Board of Education President

Lewiston-Porter's parent night/open house is a beginning-of-the-year tradition providing parents an opportunity to get acquainted with their child's school, classroom and teacher(s). With the restrictions in place during the pandemic, the traditional open house has been reimagined this year into a virtual format at each school.

Each school currently has its virtual open house presentations posted on its website. Receive a warm welcome from your child's principal - Mrs. Tamara Larson (PEC), Mrs. Tina Rodriguez (IEC), Mr. Andrew Auer (middle school) and Mr. Bradley Rowles (high school). Then take the opportunity to tour the building, meet teachers and staff, and explore academic programs by grade

and special content area as well as related support services and key departments. Links guide you to your child's individual teachers and program.

As with everything this year, teachers, staff and administrators have approached open house with great creativity and attention to detail. Please take the time to visit and get acclimated and organized for the new school year.

Have questions or need additional support? Reach out to your child's teacher(s) or building principal directly.

Celebrating birthdays with your classmates is also an important tradition of the school year, especially for our younger students. As visitation to the buildings is currently restricted, bringing cupcakes into school is just not an option for parents. Together with

Lewiston-Porter's food services provider, Personal Touch, the district has created an opportunity to have treats delivered to your birthday boy's or girl's classroom (with all health and safety protocols followed). There are four options available: assorted snack basket (cheddar goldfish and munchies mix), ice cream treat, cookie platter or veggie platter. Each option **SEE LOOP, continued on Page 19**
